InMotion Creative Arts Preschool Mission

InMotion Creative Arts Preschool is a school community for creative and independent thinkers, and it is an exciting place where children explore the rich possibilities of childhood. Our mission is to shape the social, emotional, and intellectual development of children in partnership with families and our community. We strive to maintain a developmentally appropriate environment, which fosters individuality, creativity, and respects academic and cultural diversity.

Our vision is to be true to our philosophy and to be dedicated to our children and families. To be able to inspire, create and explore our children's world through their eyes, and for them to discover and find their place amongst it.

We are dedicated to creating irresistible play-based learning environments for young children, and are passionate about seeing all children as competent, capable, creative, responsible, and resourceful parts of the community.

InMotion's philosophy is continually evolving to reflect the needs of our children, families, and the community, and to being contemporary leader in the early childhood education in Poulsbo, Washington.
